Safety Rule of the Week

WEEK OF: Sept. 23rd, 2019 thru Sept 29th, 2019

10.10 Housekeeping

Good housekeeping must be maintained at all times. Dispose of garbage, water bottles, used batteries, or other refuse material (such as sun flower seeds, smokeless tobacco residues, cigarette butts, etc.) in a proper manner and in appropriate disposal receptacles. Do not discard aerosol cans in containers that may be incinerated. Company refuse facilities are not to be used for personal use.

Do not place or allow tools, equipment or other materials to remain on floors, stairways, or walkways where they could cause a slip, trip or fall.

Railroad property must be kept in a clean, orderly, and safe condition. Railroad buildings, facilities, or equipment must not be damaged or defaced. Only information authorized by the proper manager or required by law may be posted on railroad property.

Mechanical Employees handling portable flags must assure that these are not left in locations where they can be a tripping hazard, or they cannot be found by employees who may need them for their work. Flags should be stored in company vehicles, when not in use.
