

THE BELT RAILWAY COMPANY OF CHICAGO

TRAIN DISPATCHER NOTICE

#2020-008

Effective 1500, July 10, 2020

To: Train Dispatchers, Clearing

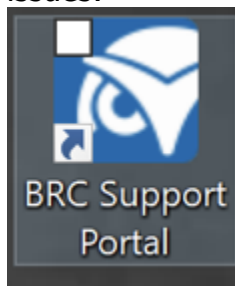

Subject: TMDS Lagging Issues

In an effort to diagnose the on-going issues with TMDS Lagging, a **Connection to Connect Wise** has been created to allow you to quickly log when the occur.

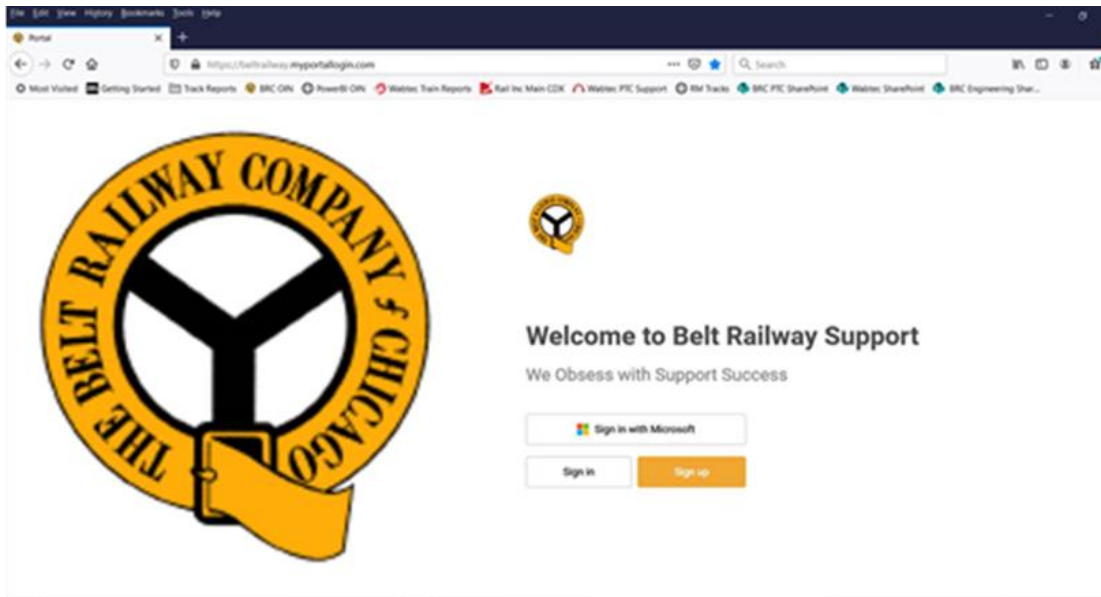

Logging these events will allow Wabtec to run down the issue more effectively, as currently they are having trouble diagnosing the issues to make a correction to the system.

Date Reporting Process:

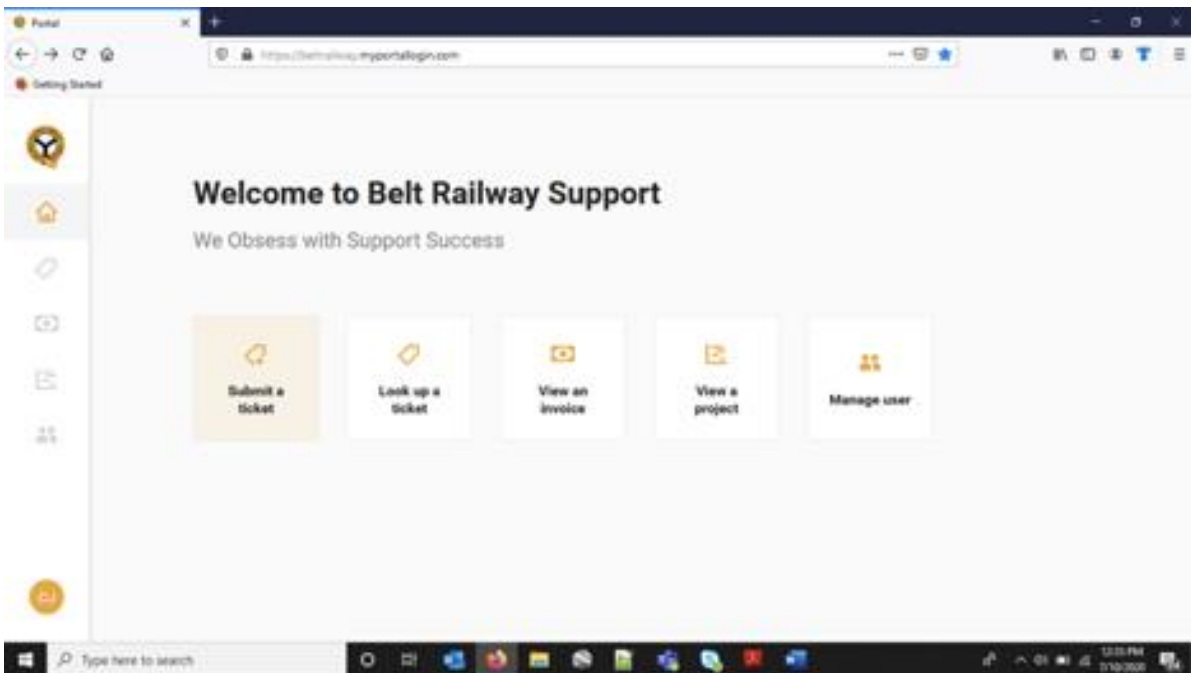

Please use the following link on the workstation desktop to report TMDS lagging issues:

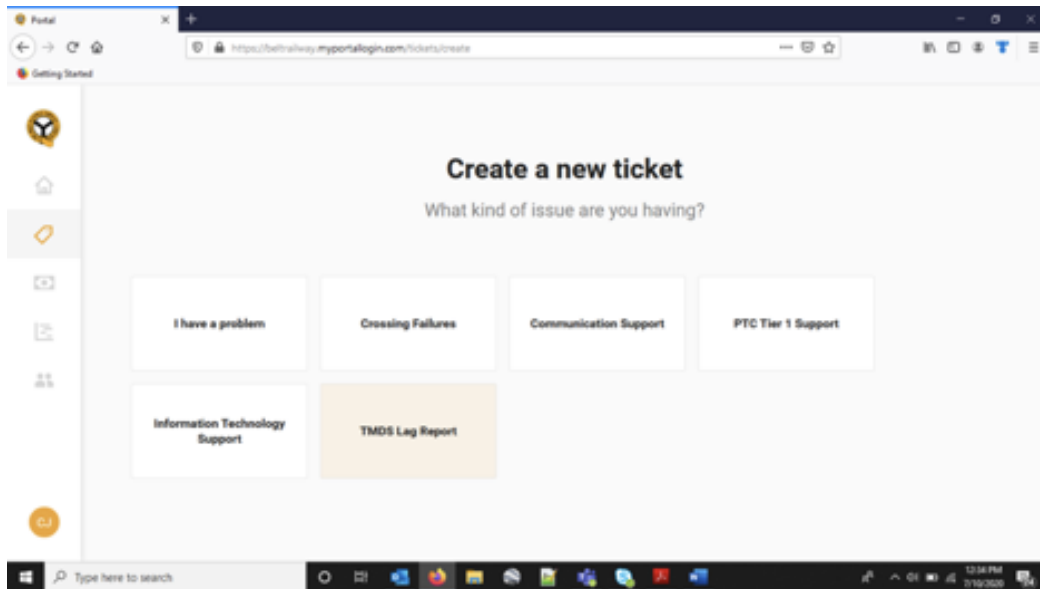

If prompted to log in, select Sign in with Microsoft and enter your Belt log in and password.

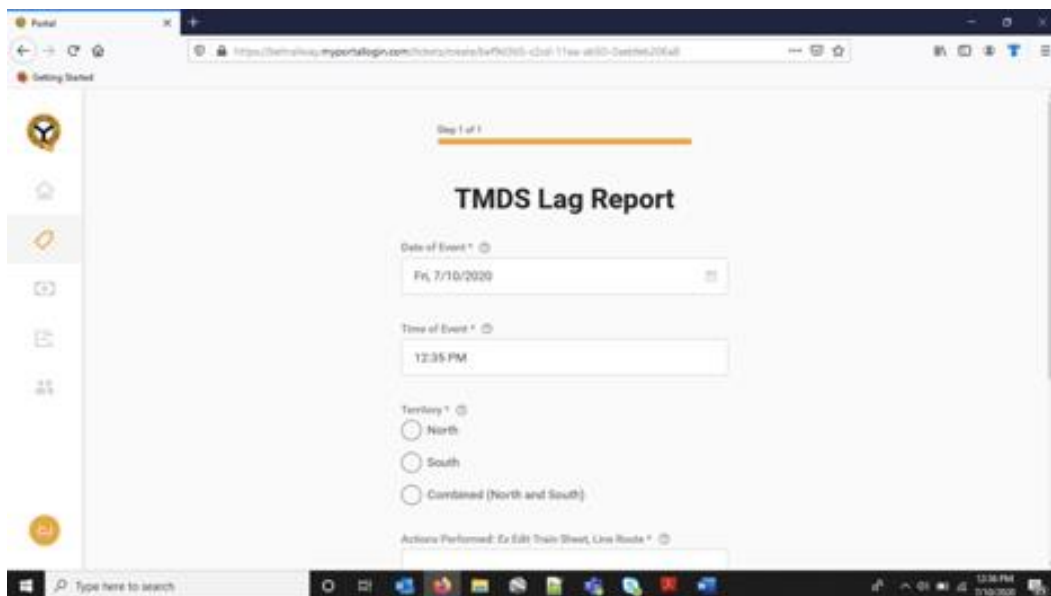

Once logged in, select the following:

Select: **Submit a Ticket**

Select **TMDS Lag Report**

Enter the information in the fields.

The screenshot shows a web browser window with a URL starting with 'https://betrairway.myportallogin.com/tickets/create/'. The page contains a form with the following elements:

- A 'Territory' dropdown menu with three radio button options: 'North', 'South', and 'Combined (North and South)'. The 'Combined' option is selected.
- A text input field labeled 'Actions Performed: Ex Edit Train Sheet, Line Route *'.
- A text input field labeled 'What is Lag: Ex 3 sec text delay after typing *'.
- A text input field labeled 'Other Issues: Ex System window keeps refreshing *'.
- A yellow 'Submit' button at the bottom right of the form.

After completing the fields select **Submit**.

It will NOT be necessary to note TMDS lagging in Operational Issues.

H.T. Kirman
Secretary and Director of Compliance
