TRANSPORTATION NOTICE

#2018-041

Effective 0001, Thursday, November 15, 2018

BRC STATEMENT OF PURPOSE

Vision:

Being better tomorrow than we are today.

Mission:

Develop and sustain a high-performing team that has a laser-like focus on moving rail cars safely and efficiently.

Core competencies:

Moving railcars safely and efficiently, while generating revenue needed to maintain infrastructure. Humping, pulling, interchange, direct moves and switching our neighbor industries. Everything we do should support these activities. Activities that do not support these core competencies must be challenged as to whether they should be done at all.

Credo:

We are The Belt Railway Company of Chicago.

We connect the WORLD in Chicago.

We are dedicated to safety, service, and value; proudly living these values since 1882.

We are a railroad's railroad, a link in the chain of our community, our city, our nation, and the North American continent; providing seamless, consistent and dependable interchange.

We are a culture of raw execution; driving forward 24 hours a day, 7 days a week, 365 days a year, in any weather. To us, it's all about our people, teamwork, integrity, innovation, and improvement.

We provide the premier place to move the nation's freight: safely, sustainably, and efficiently.

We are THE BELT!
