

BRC 6004-F
(Cancels BRC 6004-E)

THE BELT RAILWAY COMPANY OF CHICAGO
FREIGHT TARIFF 6004-F
(CANCELS FREIGHT TARIFF BRC 6004-E)

Demurrage and Storage Tariff

Issued: January 1st, 2020

Effective: January 1st, 2020

Governed, except as otherwise provided herein, Uniform Freight Classification (UFC) as provided in Item 5. This Tariff is also applicable to intrastate traffic.

Issued By:

John Widowfield

Director of Revenue Accounting & Industrial Development

6900 South Central Avenue

Chicago, Illinois 60638

General Rules and Regulations

ITEM	SUBJECT	APPLICATION
5	Description of Governing Classification	This tariff is governed, except as otherwise provided herein, by Uniform Freight Classification UFC 6000 series, issued by the National Railroad Freight Committee, Agent, supplements thereto or reissues thereof.
10	Application of Increases	Rates and charges in this tariff are subject to increase upon thirty (30) days notice.
20	Reference to Tariffs, Items, Notes and Rules	Where reference is made in this tariff to tariffs, items, notes or rules, such references are continuous and include supplements to and successive issues of such tariffs and reissues of items, notes or rules
30	Consecutive Numbers	Where consecutive numbers are represented in this tariff by the first and last numbers connected by the word "to" or a hyphen, they will be understood to include both the numbers shown.
50	National Service Order Tariff	This tariff is subject to the provisions of the various Surface Transportation Board Service Orders and General Permits as shown in National Service Order Tariff STB NSO 6100 series.
60	Payment and Credit Terms	<p>All charges under this tariff must be prepaid, unless a satisfactory line of credit is established with BRC. Charges for services rendered under terms of this tariff will accrue against the industry located on the BRC, unless other arrangements have been made with BRC prior to performance of service.</p> <p>All payments for amounts due must be mailed or electronically transferred with in fifteen (15) days from the date the invoice is received.</p>
100	Holidays	<p>An additional credit will be allowed for the following Holidays when a specific car has not had a chargeable day prior to said Holiday. If, however, the car has already been charged for a day, all Holidays will also be chargeable.</p> <p>The following BRC Holidays will apply for additional free time: New Years Day, Presidents Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve, and Christmas Day.</p>

Section 1 Demurrage

ITEM	APPLICATION
300	<p data-bbox="743 321 1011 352" style="text-align: center;">Definition of Terms</p> <p data-bbox="321 394 1360 468">Actual Placement – When a car is placed in an accessible position for loading or unloading, or at a point designated by the consignor or consignee.</p> <p data-bbox="321 506 1336 579">Consignee – The party to whom a shipment is consigned or the party entitled to receive the shipment.</p> <p data-bbox="321 617 1377 690">Consignor – The party in whose name cars are ordered or the party who furnished forwarding directions.</p> <p data-bbox="321 728 1425 949">Constructive Placement – When a car cannot be actually placed because of any condition attributable to the consignor or consignee, including order notify and in-bond shipments, such car will be held on BRC tracks awaiting disposition instructions. Such cars, which have been placed by BRC on private or other than public delivery tracks, including lead tracks serving the consignor or consignee will be considered to have been constructively placed.</p> <p data-bbox="321 987 1369 1060">Credit – Non-chargeable demurrage day. Credits can only be earned on those cars released.</p> <p data-bbox="321 1098 1417 1234">Demurrage Day – A twenty-four (24) hour period, or part thereof, commencing 0001 hours after tender (calendar day), except that demurrage cannot commence on a Saturday, Sunday or a railroad holiday, as defined in Item 100. Demurrage will begin at 0001 the next day that is not a Saturday, Sunday or a railroad holiday.</p> <p data-bbox="321 1272 1385 1388">Disposition – That information, including forwarding instructions or empty release, which allows the railroad to either tender or release the car from the consignor’s or consignee’s account.</p> <p data-bbox="321 1425 1425 1646">Empty Release Information – Advice by consignor or consignee faxed or transferred electronically to authorized personnel of BRC that car is unloaded and available to BRC. Information given must include identity of consignee, party furnishing data, car initial and number and all required commodity information in the case of hazardous commodities. Date and Time stamp from fax or electronic transmission will be used in demurrage calculations.</p> <p data-bbox="321 1684 1401 1799">Forwarding Instructions – A bill of lading or other suitable order given to the BRC at the point of loading, containing all of the necessary information to transport the shipment to the final destination.</p> <p data-bbox="321 1837 1360 1890">Lease Track – Any trackage assigned to a user through written agreement. Lease track will be treated the same as private track under this tariff.</p>

Loading – The complete or partial loading of a car or cars in conformity with loading and clearance rules and the furnishing of forwarding instructions.

Notification – When required, notification will be furnished verbally or in writing to all parties entitled to receive notification that the car(s) are available for loading, unloading or otherwise impacted by demurrage or storage provisions.

Other Than Public Delivery Track – Any trackage assigned for individual use, including privately owned or leased tracks.

Partial Unloading – The partial unloading of a car(s), subject to inspection by railroad, and furnishing of the proper forwarding or handling instructions

Private Cars – A car bearing other than railroad reporting marks and which is not a railroad-controlled car.

Private Track – Tracks not owned or leased by the railroad

Public Delivery Track – Any accessible track designated by the railroad as open to the general public for loading and unloading.

Railroad Controlled Car – A car bearing railroad reporting marks and which is controlled or leased by the railroad.

Re-consignment – An order from the consignor to bill a car to other than the original consignee. For more information see BRC 9128 V Series.

Reloading – When a car(s) is held for loading after being released as an empty.

Shipper Assigned Car – Specific empty car assigned to a particular shipper for their exclusive use.

Stopped In Transit – When a car(s) is held enroute due to any condition attributable to the consignor, or consignee, or owner.

Tender - When BRC gives notification that a car is available for unloading or loading by either actual or constructive placement to consignor or consignee.

Time – Central Time is applicable for all locations on the BRC. Time is expressed on the basis of a the 24 hour clock (Example: 12:01 AM is expressed as 0001 hours)

Unloading – The complete unloading of a car(s) and the empty release information from the consignee that the car(s) are empty and available to the railroad.

310	<p style="text-align: center;">Exceptions to Demurrage Charges</p> <p>All Railroad and Privately owned cars held for or by consignors or consignees are subject to demurrage rules and charges contained in this section, EXCEPT the following:</p> <ol style="list-style-type: none">1. Cars for loading or unloading of BRC company material while held on BRC tracks or private sidings connecting therewith.2. Cars of refused or unclaimed freight to be sold by BRC for the time held beyond legal requirements.3. Cars of railroad ownership, leased for storage of commodities, while held on lessee's tracks.4. Loaded or empty private cars held on private or leased storage tracks.5. Cars specially equipped for handling welded railroad rail held for loading such rail.6. Empty cars ordered and rejected as unsuitable for loading within forty eight (48) hours of actual placement.7. Cars covered by storage or hold charges as described in Section 2 of this tariff.8. Cars assigned to shippers returned empty to point of assignment, to the extent storage rules apply.9. Cars for which other arrangements have been made through the railroad General Managers' Office.
400	<p style="text-align: center;">Notification to Consignor or Consignee</p> <p>The following notifications will be furnished as indicated:</p> <p>Cars for Private Tracks:</p> <ol style="list-style-type: none">1. Notice of constructive placement if cars are held on BRC tracks due to reasons attributable to the consignor or consignee.2. Delivery of car upon private tracks will constitute notice.3. When two or more parties, each performing their own switching, take delivery of cars from the same track, notice will be given when cars are placed on the that track. <p>Cars for Public Delivery Track:</p> <p>Notice will be given to the party entitled to receive notification when car is actually placed.</p> <p>Cars Stopped in Transit:</p> <p>Notice will be given to consignor, consignee, or owner responsible for the car being stopped upon arrival of the car at the point of stoppage. . For more information see BRC 9128 V Series.</p>

	<p>Refused Loaded Car:</p> <p>When a loaded car is refused at destination, BRC will give notice of such refusal to the consignor or owner.</p> <p>Notification:</p> <p>Notification may be given in writing or electronically, and will contain the following:</p> <p>Car initials and number, if lading transferred en route, the initials and number of the original car, commodity, time and date.</p>
450	<p style="text-align: center;">CARS HELD FOR LOADING</p> <p style="text-align: center;">CARS HELD FOR UNLOADING</p> <p>Loading is the complete loading of a car in conformity with BRC loading and clearance rules, and the furnishing of Forwarding Instructions. Unloading is the complete unloading of a car, including removal of dunnage, closure of doors, and notification to BRC car is empty and available for pull.</p> <p>TENDER:</p> <p>The notification, constructive or actual placement of an empty car (s) placed on orders of the consignor, or a loaded car(s) placed on order of the consignee.</p> <p>RELEASE:</p> <ol style="list-style-type: none">1. Date and Time Forwarding or availability for Pull are received by BRC2. Cars placed on tracks of a consignor or consignee doing its own switching must be returned to the interchange tracks to be considered released.3. Cars found improperly loaded or overloaded at origin will not be considered released until load has been adjusted properly.4. Cars held for official grading or inspection at origin will not be considered released until such time as grading and inspection is complete.5. When the same car is unloaded and then reloaded, empty release information must be furnished. If not furnished, demurrage will run continuously until forwarding instructions are complete. <p>NOTIFICATION TO BRC:</p> <ol style="list-style-type: none">1. BRC must be given complete Forwarding or release information by fax or electronically before a car will be considered to be released. Notification must include car initial and number, date, time, company name and person providing notification.

	<p>2. When Forwarding or release information are sent via fax or electronically, recorded date and time that instructions are received will govern.</p> <p>3. If, after receipt of Notification or release information, BRC determines after arriving at industry's facility that car can not be moved, BRC will assess a charge of \$250.00 and demurrage charges will continue until actual release.</p> <p>COMPUTATION:</p> <p>1. Time will be computed from the first 0001 after Tender, until release.</p> <p>2. On cars for reloading, Demurrage time for UNLOADING cycle will terminate and demurrage time for the (RE) LOADING cycle will be computed from the first 0001 hours after notification received by BRC that the car is empty. Demurrage time for LOADING will continue until the car is released to the BRC loaded. Car will NOT be considered released until complete Forwarding Instructions are received by BRC and all car doors and hatches closed for movement.</p> <p>CREDITS:</p> <p>One (1) credit will be earned for cars released loaded or empty within the first Free Day.</p>
500	<p style="text-align: center;">Demurrage Plan and Prices</p> <p>1. Demurrage is assessed after the expiration of the second 24 hour period following the first 0001 hours after tender; the following charges per car per day will be made until the car is released.</p> <ul style="list-style-type: none">a. \$46.00 for each of the first four chargeable daysb. \$94.00 for each of the subsequent days <p>2. Settlement of charges will be made on a monthly basis on all cars released during each calendar month.</p> <p>3. Unless otherwise advised, in writing, that another party is willing to accept responsibility for demurrage, consignor at origin or consignee at destination will be responsible for the payment of demurrage charges.</p> <p>4. One (1) Credit will be allowed for each car released from loading.</p> <p>5. Saturdays, Sundays and BRC holidays listed in Item 100 are free time except when following a chargeable demurrage day.</p> <p>6. Excess credits earned in one calendar month may not be used to offset demurrage days in another calendar month.</p> <p>7. Credits earned and demurrage days accrued by industries having facilities at separate stations cannot be combined.</p> <p>8. Credits earned for complete loading may only be used to offset demurrage days accrued for complete loading and credits earned for complete unloading may only be used to offset demurrage days accrued for complete unloading.</p> <p>9. If total credits exceed total demurrage days no charges will apply.</p>

Section 2 Storage

700	Storage The BRC will store cars when advance arrangements have been made through the General Managers of Transportation office.
