

THE BELT RAILWAY COMPANY OF CHICAGO

Office of Engineering

Safety Rule of the Week

****Effective 12:01 a.m. October 16, 2021 through October 22, 2021 at Midnight****

October 15, 2021

ROADWAY WORKER PROTECTION PLAN:

200.7 Train Approach Warning Provided by a Watchman/Lookout – Roadway workers in a roadway work group who foul any track outside of working limits will be given warning of approaching trains, engines or other railroad equipment by one or more lookouts in accordance with the following provision: (Train Approach Warning will not be used for protection of on-track equipment or for any track maintenance or construction that would interfere with the safe passage of trains and engines at the maximum authorized speed.)

GENERAL CODE OF OPERATING RULES:

1.0 General Responsibilities

1.5 Drugs and Alcohol

The use or possession of alcoholic beverages while on duty or on company property is prohibited. Employees must not have any measurable alcohol in their breath or in their bodily fluids when reporting for duty, while on duty, or while on company property.

The use or possession of intoxicants, over-the-counter or prescription drugs, narcotics, controlled substances, or medication that may adversely affect safe performance is prohibited while on duty or on company property, except medication that is permitted by a medical practitioner and used as prescribed. Employees must not have any prohibited substances in their bodily fluids when reporting for duty, while on duty, or while on company property.
